I, as a competitor of (name of the country)
assure that:

- I was a student of a school for general secondary education in the above-mentioned country during the last two years;
- I am one of the winners of the National Biology Olympiad of the current school year in the above-mentioned country;
- I was not trained or instructed within a selected group of 50 or fewer students comprising the IBO team for a period longer than two weeks;
- I have not participated already twice in the IBO;
- I have not yet started the regular education at university level.

I also agree that I will deposit to the organizers or to other indicated persons my computer, mobile phone, pager, personal organizer, etc. prior to practical and theoretical tests.
